Describe responsibilities and contributions for the final project.

Yourself: In part 1, I finalized the EER diagram (prepared by Trey and Alex) with Yead and prepared the relational schema from the EER diagram. I also updated the mini-world and EER to relational schema writeups based on the revisions.
In part 2, I contributed to the schema creation queries. I also wrote two complex retrieval queries, 1 trigger and 1 view.

Team member 1: Yead
In part 1, Yead wrote the EER to relational schema writeup. He also helped me revise and finalize all the submission materials. In part 2, Yead wrote retrieval queries, triggers and views.

Team member 2: Trey
Trey drafted the EER diagram in part 1. He also finalized the SQL SSD commands in part 2.

Team member 3: Alex
Alex helped with the EER diagram and wrote the mini-world write up in part 1. He wrote simple SQL DML commands in part 2. He also organized all the different materials and combined them for submission of part 2.
